## McKean County COVID19 Resource Directory

The McKean County COVID19 Resource Directory, is a collection of organizations that are providing critical services to the residence of McKean county during the COVID19 pandemic. The online component can be found at

https://mckeancounty.maps.arcgis.com/apps/View/index.html?appid=220c5d8825164179a3619c8231f25bf1 or on the county website at https://www.mckeancountypa.org/news\_detail\_T6\_R1.php

Below are community maps that show the resources available in certain areas. Similarly, a table of all resources accompany the maps below. Numbers next to the resources in the maps refer to the organization listed in the table. It is important to note that not all resources are located within community centers. There are resources in other areas that are not portrayed in the maps below. Please refer to the tables and online components for the complete list. Lastly, I've included a legend in which all resources are symbolized by.
